JAPANESE MET WITH FATAL ACCIDENT

Y. Sumi while coming down the highway from San Francisco on Thursday evening on an automobile, met with a mishap that will cause the loss of life. When nearing Redwood avenue from the highway one of the tires of the machine blew out, the auto skidded and collided with a tree on the road side throwing Sumi heavily to the ground. He suffered a severe fracture of the skull. Dr. Gregory was the first on the scene and he had the injured man rushed to Huling sanitarium from where he was sent later to a hospital in San Francisco. The doctor says Sumi has only a slim chance to recover. Sumi came here recently, having purchased an interest in a nursery on Redwood avenue.

ROBERT POOLE MET WITH AN ACCIDENT

Robert Poole, the young son of Mr. and Mrs. John Poole, met with a painful accident last Saturday evening. He and Daniel Foley were playing in the home garage on Broadway. Foley was handling a revolver that he did not think was loaded. The weapon was discharged accidentally the bullet entering young Poole's left thigh and fracturing the pelvic bone. Dr. Ross rushed the boy to the Red Cross hospital at San Mateo. He is resting nicely and will be home next week. He will not suffer any permanent injury.

A. S. LIGOURI WAS DEFEATED FOR GRAND TRUSTEE

The defeat of A. S. Ligouri for grand trustee at the annual meeting of the grand parlor recently held at the Yosemite Valley was a great disappointment to his friends in Redwood City. He made a gallant fight but failed. P. A. Reynolds delivered a splendid address in placing Mr. Ligouri's name before the convention.

The defeat of the popular Redwood City man is attributed to the fact that there were three candidates for grand trustee from the peninsula and the Santa Clara valley and this resulted in the vote from this section of the state being split up badly. Judge Thompson of Santa Clara county was the candidate who succeeded in noosing out Ligouri for the coveted place on the board of grand trustees to succeed Arthur H. Free of San Jose.

ACUNT OF CO. ASSESSOR D. P. FLYNN DIES AT OCEAN VIEW

Miss Hannah Dorgan, an aunt of County Assessor D. P. Flynn and Thomas Flynn of this city, passed away at the home of her niece in Ocean View last Friday. Miss Dorgan was a sister of the late Elizabeth and David Dorgan and Mrs. M. Flynn. She was a native of Ireland and was 86 years of age.

A number of relatives and friends from this city attended the funeral which was held Monday morning from her late residence. The interment was in Calvary cemetery, San Jose.

WOODRUFF INN WILL GIVE ANOTHER BIG DANCE

A "Thanks Ball" will be given by the returned soldier boys of La Honda in the Woodruff Inn pavilion at La Honda, Saturday evening, June 28. The boys are giving this affair in appreciation of the big reception given them by the people of the county on their return from overseas last month. The affair is to be largely attended and the music is to be furnished by the Stefanik orchestra. Mr. Devere, the genial proprietor of the Woodruff Inn, will serve one of those tempting suppers for which he is noted. Those who fail to attend this big affair will miss an evening of fun and merriment.

STUDENTS BANQUETED AT WOODRUFF INN LA HONDA

The Zane preparatory school for young ladies at Palo Alto banqueted the students at Woodruff Inn, La Honda, Wednesday evening. About 25 young ladies were present and enjoyed a delightful dinner. They repaired to the pavilion after the meal and enjoyed dancing for some time. All went home carrying with them pleasant memories of the pleasant outing in the mountains. Several of the girls were from the east.

ANDREW HYNDING NEW DIRECTOR OF LAND COMPANY

Andrew Hynding will be elected a director of the South San Francisco Land and Improvement Company to fill the vacancy created by the death of the late Jesse W. Lillenthal, vice-president of the corporation.

Hynding, who is employed as purchasing agent by the Western Meat company, is a long-time resident of South San Francisco and a member of one of the pioneer families of the peninsula, throughout which he is well and favorably known. His selection as a director of the land corporation met the unqualified approval of the financial interests which control it.

Mr. Hynding was born and raised in Redwood City, but as a young man he became identified with the Western Meat Co.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Mrs. Edna Parsons, who was severely burned at her home on Arguello street on May 24, passed away at the Red Cross hospital in San Mateo last Friday. She was taken to the Huling sanitarium later, being removed to the Red Cross hospital. Mrs. Parsons is survived by her husband, George A. Parsons, who is employed at the plant of the National Magnesia Manufacturing company in this city, and three small children, the youngest two year old. The funeral was held Sunday afternoon from the chapel of the Redwood City Undertaking company. Rev. C. H. Stevens of the First Congregational church conducting the services. The interment was in Union cemetery.

Captain Norman MacKenzie, the young son of Mr. and Mrs. Donald MacKenzie of this city, was united in marriage to Miss Louise Sisco, a prominent society leader of Battle Creek, Michigan, last Monday. Mr. MacKenzie is a member of the dental corps of the army. Mr. MacKenzie enlisted after his graduation and was sent to Camp Kearny. He is now at Camp Custer.

Philip Fox, young son of Mr. and Mrs. E. B. Fox of this city, departed last Saturday for South America to engage in mining. He has been employed by a rich New York syndicate. Mr. Fox will be absent for about three years. He is a graduate of the mining engineering department of Stanford. Shortly after his graduation some years ago he went to South America and met with much success. Mr. Fox served in the navy during the war and was discharged from the service some years ago.

Carl Cassingham, chemistry teacher at the high school, will not teach next semester. At the close of the term of June 27, he will leave for Mill Valley where he has been chosen to a position in the high school there. Mr. Cassingham was recently elected by the high school board for another term. He took Professor Adams place here about six months ago when the latter was chosen principal of the high school at South San Francisco.

Everybody is doing it. Doing what? Getting ready for the San Carlos dance on Saturday evening, June 14, 1919. Jazz music. Refreshments. Admission 25 cents.

Miss Sarah Ward, the chief night operator of the local telephone office for the past year and a half, has been promoted to chief operator taking the place of Mrs. D. C. Dickinson. Miss Ward will assume her new duties on Monday next. Mrs. James Matheson has been appointed chief night operator. Mrs. Dickinson will leave next week for Oakland to reside. Her husband is employed in the Moore-Scott Shipbuilding plant. He was recently discharged from the army. Miss Ward has been connected with the local office for a number of years. She is competent, trustworthy and popular with all the patrons who are pleased to learn of her merited promotion.

Walter T. Selenger of the Bay-side Canning company of Mayfield was in town yesterday looking for help to start the plant on July first. Mr. Selenger will pay excellent wages and provide cottages to the employees. He says that only for the assistance he received from the people of Redwood City last year the cannery would have had to shut down. Those interested should read Mr. Selenger's advertisement in another page of this paper.

Joseph Walter of this city leaves today on the steamer Guimba for Honolulu with a mixed cargo. He is the chief officer of the vessel. The Guimba is one of the new U. S. Shipping Board's ships and is the largest refrigerator ship afloat. From Honolulu the vessel will take a cargo of sugar to New York and from that port will take a load of meat to France. Mr. Walter will be gone for a year. Mrs. Walter and her young daughter will remain in Redwood City.

COMMENCEMENT AT ST. PATRICK'S CHURCH TO BE OF IMPORTANCE

(By Will L. Hall)

Commencement at St. Patrick's Seminary, Menlo Park, this year will be an event of more than ordinary importance. Most prominent among the features of the occasion will be the advent of six young men into the priesthood of the Catholic church, their ordination to occur at St. Mary's Cathedral, San Francisco, June 14. The formal commencement exercises of the college department will be held at the seminary on June 16, when a class of thirteen young men will be graduated.

Archbishop Hanna will officiate at the ordination, the candidates being

ST. PATRICK'S SEMINARY

Leo T. Coughlin and Richard Curtis, San Francisco; C. P. Hardeman, Palo Alto; Francis B. Dougherty, Santa Fe, N. M.; Leo Murphy, Redlands; John P. O'Connor, Baker City, Ore. They will celebrate their first mass at the seminary on June 16. The following Sunday they will officiate at the same service in their home parishes.

The members of the college graduating class are Gabriel Bonaccia, Harold F. Burke, Edward Cavanaugh, Stephen A. Cummins, Martin Egan, James Harvey, John P. Lynch, Joseph Mulken, James McNamara, Louis Mulvihill, James Rohan, John J. Scanlon, James J. Sweeney.

Speakers from the class will deliver addresses dealing with Joan of Arc. James J. Sweeney will speak on "Joan of Arc, the Saint," Leon Cratto, "Joan of Arc, the Patriot," John P. Lynch will have the Te Deum and the oratorio "Joan of Arc" will be rendered by the choir of the seminary. Archbishop Hanna will deliver the address to the graduates. The orchestra, under direction of William J. Butler, will render selections from "Erminie," arranged by E. Jacobowski and the "U. S. Democracy March," by E. D. Smith.

St. Patrick's Seminary occupies a very unique position among educational institutions in America. It is one of the very few whose sole purpose it is to prepare young men from various parts of the country for the priesthood of the Catholic church. The seminary is the direct outgrowth of an effort begun by Bishop Alemany in 1850. At the time of his consecration as bishop in that year at Rome he recognized the great need for more members of the clergy of his church in California. Before calling for America he visited the missionary college of All Hallows at Dublin, Ireland, and made an earnest appeal for priests to assist him in the new field. Father Eugene O'Connell came out the next year and others came later. It is probably owing to this early effort that so many of the Catholic clergy in California are Irish, as the promise of assistance made in the early days has been kept faithfully.

Bishop Alemany, on arriving in California found 21 adobe missions served by not more than a dozen priests. It was no easy task to conduct the affairs of the church among so many widely scattered parishes.

The majority of the clergy at once grasped the idea with enthusiasm. They urged its completion at the earliest possible moment. It required a large outlay of money as the archbishop's plans were not made on a small scale. He made a special appeal to the people of the church who had ample funds. His confidence in their liberality was not disappointed. They were Californians with liberal ideas and the firm belief that the future holds much in store for the church in this state. In response to the appeal a tract of 80 acres was given by Mrs. Kate Johnson. It lies just east of Menlo Park, two miles from the bay shore and a mile north of Palo Alto. With Stanford University only three miles distant, the convent of the Sacred Heart but a short distance away, it is in the very closest proximity to an educational atmosphere that is stimulating, intellectually and climatically it is an ideal location. There the foundations were

laid for this great Catholic educational institution.

The institution as it is today represents an investment of more than \$1,000,000, all contributed by the liberal people of the diocese. The buildings comprise an administration building, senior and junior colleges, a central chapel, detached service building and a dining hall. Romanesque style of architecture was adopted for the buildings, as it readily gives the light spaciousness and convenience demanded by modern structures. Interior finish is in natural oak, much of it beautifully carved that in the chapel being some of the very finest to be seen in the country. Copies of masterpieces of the old world are to be seen as natural decorations.

Construction was begun in 1884 and the dedication took place August 24, 1894. Archbishop Riordan officiating. The junior college was opened in September following, the department of philosophy in 1901 and that of theology in 1904. Father Patrick Collops of San Francisco was the first priest to be ordained from St. Patrick's, his ordination occurring June 29, 1892. Since then about 75 have taken up priestly work after receiving instruction here.

Faculty members at St. Patrick's Seminary are from the Sulpician society, an organization of secular priests specially formed for seminary work. Headquarters are at St. Mary's, Baltimore, opened in 1791. The college of St. Charles is its preparatory school. From these two institutions more than 3,000 priests have been ordained. Very Rev. H. A. Arinac, S. S., D. D., L. L. D., is president of St. Patrick's. Rev. F. W. Kunkel, S. S., A. M., is treasurer. There are 22 members of the faculty, each having charge of some one or more subjects on the curriculum. The Little Sisters of the Holy Family from Sherbrooke, Canada, are in charge of the domestic work at the institution.

Entrance to St. Patrick's is secured by means quite different from going to college ordinarily. An examination is held in San Francisco in July of each year, the candidates being required to present credentials from their local clergy. Each boy must be at least 14 years of age and must have good vouchers. His course of training before being elevated to the priesthood covers a period of 11 years and is most thorough. During the time of attendance at the seminary he is not permitted to leave the school premises except under special circumstances. He pays \$250 a year for board, tuition and other privileges. On return after vacation he must furnish certificates showing that his conduct has been of the right character while away. Naturally after a training of this sort, he is very well equipped for his life work.

The seminary is doing a great and good work for the Catholic church on the coast by furnishing priests who are familiar with the locality and its people, making them better qualified for their clerical duties. With an attendance rarely above 125 during a school year the members of the

CLOSING PROGRAM AT NOTRE DAME

The closing exercises of the Notre Dame Academy were held Thursday evening in the Alhambra theatre at 8 p. m. when the following pupils were graduated from the eighth grade:

Albert Genocchio, Grace Wilder, Eileen Fitzgerald, Alice Perry, Agnes Flynn, Frances Ryan, Eleanor Hahir, Eleanor Larroy, Angelina Piano, Helen Barton, Jessie Conover, Veronica Keegan.

The theatre was crowded by an appreciative and attentive audience who expressed their pleasure by well merited applause at the conclusion of each splendidly recited number. The girls of the Academy made a pretty picture as they sat gowned in white, at the right side of the hall near the stage. The boy occupied the left side.

At the close of the exercises the Rev. William Keller of Holy Cross church, San Francisco, in a few well chosen words complimented the pupils on their splendid rendition of the program. He paid a tribute to their devoted teachers, regretting that they were not present to see the success of their youthful careers.

The following is the program: In the Spanish Legend, rendered by Angelina Piano, Albert Genocchio represented the Spanish Knight while little Dorothy O'Brien represented a statue of the Blessed Virgin. In the Pagan, Columbus' part was taken by Albert Genocchio, Washington, Robert O'Brien, Betsey Ross by Alice Perry, Columbia by Jessie Conover.

Studies will be resumed August 11th.

ADDITIONAL LOCALS

A spirited game of baseball will be played tomorrow afternoon on the local diamond between a Sunnyvale team and the local nine. This is a return game. A few weeks ago the former were defeated in a hotly contested game that was won by the local team by a score of 3 to 1. It was the best game ever played on the local diamond. Another good contest is looked for tomorrow. Joseph Kelly of Menlo Park, a noted ball player, will play right field for the home team.

Last Tuesday at their home, Edgewater, in Wellesley Park, Mr. and Mrs. J. W. Lowe, entertained a number of wounded soldiers from the Letterman Hospital, who were brought down in motor cars in charge of Mrs. Albert Pearson of the Pacific Motor Corps. Upon their arrival they immediately availed themselves of the opportunity to feast on cherries, later being entertained in the house with music and refreshments. After expressing their appreciation of the hospitality of their host, they returned to the city, all stating that the day was altogether too short.

faculty are able to give very close attention to their charges.

Archbishop Hanna is thoroughly in accord with the idea of its work and has the enthusiastic co-operation of the clergy in this section of the country in trying to make it an institution for religious training that will be second to none in the world.

MYSTERY OF DEATH OF MRS. COBURN GROWS DEEPER

The mystery surrounding the death of Mrs. Sarah S. Coburn at Pescadero on June 3 deepens. Notwithstanding the numerous detectives at work on the case nothing of a tangible nature has been found to point to the perpetrator of the foul deed. It is the consensus of opinion at Pescadero and elsewhere that the imbecile stepson did not commit the awful crime, that it was done by some one else who resides at Pescadero. The sheriff's office hints that the guilty party may be brought to light next week, this however, is speculation.

Deputy Sheriff Will Hogan spends all his time keeping watch over Wallace at Gardiner's sanitarium at Belmont with the hope of securing some bit of information which may lead to the perpetrator of the crime, but thus far nothing has developed.

During the week Dr. W. A. Brooke, the public administrator, through his attorneys, Ross & Ross, filed a petition for special letters of administration upon the estate of Sarah S. Coburn and on Thursday the matter came up before Judge Buck. Attorney Eustice Cullinan, representing the estate of the late Mrs. Coburn informed the court that he had just filed Mrs. Coburn's will in the office of County Clerk Elizabeth M. Nash. Thereupon Attorneys Ross & Ross representing Dr. Brooke, said they would be willing to have the public administrator's petition continued.

Judge Buck then continued the hearing on Dr. Brooke's petition for one week.

The court then took up the application of C. H. Widemann and Judge J. A. Bardin for the admission of the will to probate and for letters testamentary and the matter was set for hearing on July 3.

Following is the text of the will filed:

Pescadero, Calif., Feb. 27, 1919

I Sarah Satire Coburn, being of lawful age, and of sound and disposing mind, and not acting under duress, menace, fraud, or under undue influence of any person or persons, do hereby make, publish and declare this my last will and testament, to-wit:

1. I hereby revoke all former wills made by me.

2. I give, devise and bequeath unto my friends, C. H. Widemann and J. A. Bardin, the equal and undivided one-half of all property of which I die the owner of, whether same is real, personal or mixed, or in which I have any interest, of any kind or character, wherever situated, in consideration of their friendship for me, and in consideration that they gave up their legacies under the will of Loren Coburn, at my request.

3. I give to Wallace Loren Coburn the income and profits of the sum of \$50,000.00 (Fifty Thousand Dollars) as long as he shall live, and I direct that said sum of \$50,000.00 (Fifty Thousand Dollars) be set aside by my executors hereinafter named in trust to my said executors, and that as said trustees they shall apply the said income for the best interest and benefit of said Wallace Loren Coburn during his life and at the death of said Wallace Loren Coburn, said trust shall then terminate.

ANDREW J. STERLING.

Pescadero, Calif.

The above will was executed last February. Mrs. Coburn was preparing a visit to her blood relatives at her old home in Massachusetts when she was stricken. She was to have left Pescadero the Tuesday following her death. She had purchased a large automobile and was to have motored east to spend the summer at her girlhood home among her relatives.

It was rumored about the court house yesterday that the eastern relatives would shortly begin a contest of the will.

According to the petition filed by Attorney Cullinan the estate of the dead woman is worth \$200,000. It consists of her interest in the Loren Coburn estate valued at \$225,000, cash in bank amounting to \$22,000 and a promissory note worth \$11,400. Cullinan and Hickey and John L. McNab represent the executors of Mrs. Coburn's will.

**T. C. MCGOVERN TOOK
UNTO HIMSELF A BRIDE**

It's all off, girls. T. C. McGovern is married. It leaked out only yesterday that the popular deputy sheriff was united in marriage to a San Francisco belle some time ago at Santa Cruz. The secret was kept by the young couple until yesterday when the deputy sheriff blushing admitted that he had become a benedict the first of the year. Mr. McGovern is one of the most popular occupants of the court house and for the past three years has been a deputy in the sheriff's office. Mr. McGovern was much admired among the ladies but now that he is married his popularity may not increase with them. Many a lassie had their eye on the blonde official who was considered a "good catch" by them.

Mr. McGovern was born and raised at Halfmoon Bay but for the past ten years has made his home at South San Francisco. He is a brother of Dr. McGovern, the well-known dentist of that city. All day yesterday the deputy sheriff was besieged by friends offering their congratulations.

**MISS ELAINE CROWELL
WEDDED TO MR. DE YOUNG**

Miss Elaine B. Crowell, the charming and pretty daughter of Mr. and Mrs. W. A. Crowell of this city, was united in marriage to Mr. Lion de Young at the home of the bride's home last Sunday morning, Rev. C. H. Stevens officiating. Only a few friends and relatives attended the impressive ceremony. The young couple had planned to get married later in the summer but Mr. de Young works for the Goodyear Rubber company of San Francisco and was sent on an extensive tour of the San Joaquin valley and so decided to take his bride with him on the trip. The couple will reside for the present at Stockton.

Mrs. de Young is one of Redwood's most charming young ladies. She is a graduate of the Sequoia high school and has been extremely popular among the younger set of the peninsula. Mr. de Young was recently discharged from the army, after four years of valiant service with the Allies' army in France. He entered the war four years ago, two years before the United States got into the big fray, and he came out with four war crosses and a special citation issued by General Petain for conspicuous bravery in fighting the Huns. Sergeant de Young was wounded so many times during his four years of service that the officer in filling his discharge papers wrote: "Wounds too numerous to mention." Other than a slight limp, however, he shows no visible effects of the ordeal he had been through.

**GET YOUR TICKETS EARLY

Sequoia is working hard to make this a success and it is going to be a success. If you miss it you will regret it. So get your tickets now, from some Sequoia. If you do not see one, telephone Redwood 1708-P and tell them you want to give 50 cents in return for a ticket for "All-of-a-Sudden-Peggy."

HALL-GRAY NUPTIALS

Mrs. Lendall Gray, the well-known society leader, was united in marriage at her beautiful home on the Selby Lane Wednesday afternoon at 4 o'clock, Rev. Brown of this city officiating, to Tracy Hall, treasurer of the Security-Trust Savings Bank of Los Angeles. The wedding breakfast was served at the ceremony to a few friends of the couple. Mr. and Mrs. Hall will reside in Los Angeles.

Mrs. Hall was known for her unostentatious charity and philanthropic work. She gave freely to those in need, never telling anyone of her requests. Very few knew of the relief work she did. Her husband, Lendall Gray, met a tragic death at Fresno nine years ago in an automobile accident. She has resided here ever since. Her husband left her security and bonds amounting to over \$250,000 and the beautiful home at Atherton where she lived quietly doing good, attending to her estate and cheering those in distress. The people of this community regret to learn that Mrs. Hall is to leave here where she has done so much good. However she has the best wishes of all for a happy and prosperous career in Southern California.

ELECTRIC LIGHTS KEEP IN ON THE JOB WHILE THE NIGHT CROWDS WALK THE STREETS.

If the merchant closes his doors at the completion of the day's business and fails to take advantage of the selling power of his store-frontage during the evening hours, he is neglecting to pocket the maximum return on his rental investment.

PEOPLE GENERALLY DISGUSTED

Congress will lose no needless time in turning the telephones and telegraphs back to the companies. This is one of the things with respect to the extra session which may be set down as an assured fact. Remarkable unanimity is displayed with respect to this proposition.

Ordinarily, one might expect there would be the most utter difference of opinion on this score among men who are opposed, on principle, to public ownership and those who, on principle, believe in it. But in this case, both the friends and the opponents of government ownership feel that public interest demands the wires be taken out of the control of the present regime of which Postmaster General Burleson is the head. For more end of the country to the other come constant complaints of inefficient service, of increase in rates, of additional and excessive charges which are being imposed for installation and change of telephones.

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The altar boys of the Church of the Nativity were given a picnic at Alum Rock on Thursday. Twelve youngsters enjoyed the outing in that beautiful park. Mrs. B. M. Breeden chaperoned the boys showing them all points of interest en route and at the park.

Peter Flanagan who was secretary of the Knights of Columbus Recreation Hall at Camp Fremont during the war, departed for Manila during the week to act in a similar capacity there for the Knights of Columbus. Mr. Flanagan was very popular with the soldiers at Camp Fremont making friends everywhere by his courtesy and kindness to all. He is a Stanford graduate and an athlete of international fame, being a member at one time of the famous Australian football team that toured the world.

Mr. S. T. Brittan, a former Menlo resident, was here during the week. He contemplates building a home at Linda Vista very soon. For some years he has resided at Burlingame. T. C. Gregory, the attorney, has been appointed a member of the executive committee of the board of regents of Stanford University. Mr. Gregory is now with Herbert Hoover in Europe. Mrs. Gregory is at Palo Alto. Her beautiful home in the Coleman tract that was for sale has been withdrawn from the market.

The body of an unidentified man about fifty years of age was found lying alongside the railroad track just south of the Southern Pacific depot here, Saturday afternoon. The remains were removed to the Crowe Undertaking parlors in Redwood City by Deputy Coroner W. A. Crowell and an inquest held Monday morning. The verdict of the jury was that the deceased came to his death from natural causes, presumably heart disease. There was nothing on the body to identify the man.

S. V. Rachmaninoff, who leased the Logan place at Atherton some weeks ago, moved into the attractive home during the week. Mr. Rachmaninoff is a famous Russian composer. When the Bolsheviks secured control of affairs in Russia the composer's property was confiscated and he had to flee to this country for safety. "I like California and Menlo Park," said the composer. "It is nearer Russia than any other part of the United States." He is accompanied here by his entire family.

The Richard Girvin home in Menlo Park was the scene of a most enjoyable dinner party given last Wednesday by Mr. and Mrs. Lloyd Trevis in honor of the latter's birthday. Mr. and Mrs. Trevis are passing the summer here. The guests were: Mr. and Mrs. William H. Poole, Mr. and Mrs. Cayle Anderson, Mr. and Mrs. William Duncan, Mrs. Richard Girvin, Misses Evelyn Barron, Ysabel Chase Messers, Gordon Trevis, Edward L. Eyre, Jr., Douglas Alexander.

Mrs. W. Doyle is at Berkeley attending the grand session of Native Daughters. She is a delegate from the local parlor.

Douglas Anderson, a wealthy eastern manufacturer, has leased the Crism place at Atherton for a year. He arrived here last week accompanied by his wife.

Fred Nessler is the friend of the little boys and girls. During the week he gave away over 1000 small flags to them to be worn on flag day.

Miss Helen Clothier, the pretty young and accomplished daughter of Mr. and Mrs. James B. Clothier, was united in marriage to Arthur Wilkerson at the parochial residence of Father Sullivan on Tuesday afternoon at 1:30 o'clock. Only relatives and a few friends witnessed the impressive ceremony. Bernard Larcon was the groomsmen and Miss Gertrude, sister of the bride, maid of honor. Father W. P. Sullivan officiated. The bride wore a beautiful creation of white crepe de chine and carried a bouquet of baby orchids. After the ceremony a wedding breakfast was served at the Clothier home on Oak Grove avenue. During the afternoon the bride and groom slipped away to Santa Cruz. On their return they will reside at Palo Alto where Mr. Wilkerson has prepared a pretty home for his bride. The young couple has the best wishes of all for a happy and prosperous wedded life. Mr. Wilkerson formerly resided in Montana and the couple may later on make their home there.

Miss Margaret Genevieve Walsh, young daughter of Mr. and Mrs. Martin H. Walsh, will graduate from the Franklin Training school for Nurses in San Francisco this evening. The young lady took a four-year course at the institution and will leave this evening a full-fledged professional nurse. Miss Walsh will make a success in her chosen profession for she possesses all the attributes to make her so. Her numerous friends here are delighted to hear of her success.

E. J. Pringle and family are occupying their attractive home at Atherton having moved down on the first of the month. Mr. Pringle is an enthusiastic motorist and enjoys the good roads in these parts.

TWO COURTS IN SESSION AT COURTHOUSE, REDWOOD CITY

Two courts were in session at Redwood City yesterday. Superior Judge John L. Huddner of Hollister, San Benito county, is hearing the case of the Century Music company against Daniel Flynn and others for money they allege is due on the installment of a piano and other paraphernalia. This court is being conducted in the supervisor's chamber.

In his own court, Superior Judge George H. Buck is hearing the third divorce trial of Anna Cuneo against John Cuneo. The dispute is over property rights.

The estate consists of cash amounting to \$5.10 and a deposit in the Bank of Burlingame amounting to \$265. The deceased left the following will: "Burlingame, December 29, 1916: To the Bank of Burlingame, in case I die pay all my money to Miss Letitia Sivera of San Jose."

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, June 9, 1919, at 10 a. m., there being present John Macfain, president; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

Chairman Macfain addressed the board and stated that the county auditor had refused to pass the claim containing the appropriation of \$500 made by the supervisors on June 2, for advertising the \$40,000,000 bond issue on the ground that the order appropriating the money had not been done by resolution. The chairman said he had requested the district attorney to prepare a resolution covering the matter, which would be read later in the session.

The map of Redwood Heights, a subdivision two miles northwest of Redwood City, was again presented to the board, with a resolution asking the board to accept the map and have same recorded. In view of the fact that the resolution did not conform to the description on the map, it was ordered, on motion of Brown, seconded by Francis, that the clerk of the board write to C. L. Dimmitt, who presented the map and have him rectify the matter.

The report of County Auditor J. J. Shields showing the amount of money that can be drawn against the several funds of the county during the month of June, 1919, was received and ordered filed.

The report of County Treasurer P. P. Chamberlain, showing a balance on hand in the treasury, June 7, 1919, of \$569,637.89 was received and ordered filed.

A communication was received from the California Good Roads Committee, enclosing a copy of resolution adopted by the board of supervisors of San Francisco endorsing the \$40,000,000 bond issue, and asking the San Mateo county board to adopt a similar resolution and also to appropriate funds for advertising the above proposition.

A resolution heartily approving the proposed bonds and urging the voters of San Mateo county to support the measure at the election July 1st, was adopted, on motion of Hickey, seconded by Brown.

A communication from the Social Service Commission, making recommendations for granting and withdrawing county and state aid in a number of cases in the different districts, was received, and on motion of Brown, was approved.

The board, on motion of Brown, seconded by Francis awarded the contract for the surfacing of Second and Third avenues in San Mateo City Homestead, bids for which had been received at the last meeting, to Blanchard, Crocker & Howell.

The following bids were received for the construction of a corrugated culvert, with wingwalls on the San Gregorio to Halfmoon Bay road in the Fifth Township: M. Klauessen \$673.50 A. Mattson 642.00

The contract was awarded to Mattson, on motion of Thompson, seconded by Brown, he being the lower of the two bidders.

On motion of Francis, seconded by Thompson, plans and specifications were adopted for the construction of the new branch county jail at Halfmoon Bay, and the clerk of the board

BIG TIME AT PALO ALTO UNIVERSITY THIS WEEK

Among the most interesting scenes of the Stanford "Service," which will be presented tonight by the university students and the people of Palo Alto, is the episode of the rally, in which the traditions and customs of the college students in the old days will

be reproduced. One of the characters in this scene is "Chappie," the funny man of Stanford lore. This part is taken by Miss Clytie Sweet of Palo Alto.

Four Stanford men who were aviators stationed at Rockwell Field at San Diego, flew from there to take part in the pageant and the alumni reunion at Stanford this week. The men will do stunts during the military scenes of the pageant. It is announced.

The pageant will take place tonight at the Stanford track oval, an excellent open-air theatre. It will be given by a cast of over 400 persons and will trace the history of the university from the arrival of the first Spanish explorer till the present, including the service of Stanford men and women in the Great War.

Among those taking part in the production are Miss Margery Bailey of Redwood City, who plays the symbolic part of Alma Mater, and Miss Ruth Mantz, also of Redwood City, who is in charge of one of the most important scenes.
